

# Guidelines

- Kindly make a copy and use the given template for submitting your project (delete this slide).
- One team is only required to submit one project.
- The ideal size of the presentation should not be more than 7 slides.
- Projects using Google developer technologies like Gemini APIs & building projects on IDX platform will earn additional points.
- In case of queries, kindly reach out to us at **[gdsc.vnrvjiet@gmail.com](mailto:gdsc.vnrvjiet@gmail.com)**

# Solutions Challenge

AI for a better tomorrow

## Team Details

- a. Team name:
- b. Team leader name:
- c. Problem Statement:

Google Developer Groups  
On Campus • VNRVJET

## Brief about your solution

List of features offered by the solution

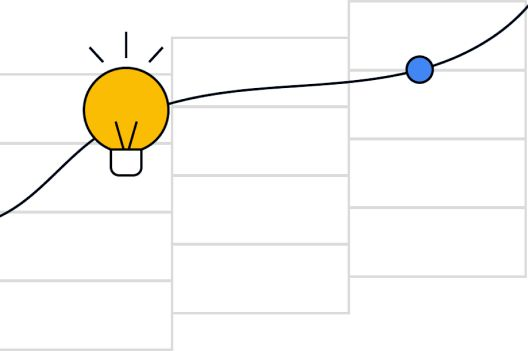

Architecture diagram of the proposed solution (Optional)

## Technologies to be used in the solution

(Additional points for those who are:

- Building their project on IDX
- Integrating Gemini APIs)

Additional Information (if any)

Google Developer Groups  
On Campus • VNRVJET
